PACO PEÑA:
FLAMENCO REQUIEM
IN PRAISE OF THE EARTH

Paco Peña embodies both authenticity and innovation in flamenco. As guitarist, composer, dramatist, producer and artistic mentor he has transformed perceptions of this archetypal Spanish art form. Peña began learning guitar from his brother at the age of six and made his first professional appearance at the age of twelve.

In the late 1960s he left Spain for London, where his recitals of flamenco music captured the public imagination. The first half of this concert features Peña with his band, and the second half features his new piece, Flamenco Requiem, performed by Peña and his band plus one of the region's most accomplished choirs, The Singers, along with Gateshead Children's Choir.
