Our Guest Choir: The Singers

The Singers is a chamber choir based in Newcastle. Its singers come from all over the North East and beyond. Tonight we have singers who have travelled from Chester, Leeds, Bradford and York - and one who lives just across the road from this church! Under their conductor, Donald Halliday, the choir sings regularly in St Giles Cathedral in Edinburgh, Durham Cathedral, Liverpool Anglican Cathedral, Southwark Cathedral in London and Cologne Cathedral. You can find out more on the choir's website at www.singers.org.uk
